Dear Member Clubs

I am writing to let you know of my intention to step down as Chairman of the TVCL at the AGM in November of this year.

I have spent a lot of time on the TVCL management committee over the years firstly as Secretary and then as Chairman.

However there comes a time when I would be seeking new challenges as well as spending more time at my own club and with my family. It is therefore time for a new face and a fresh approach to lead this League over the coming years.

I have thoroughly enjoyed my time on committee during which we have introduced electronic reporting, win/lose cricket, a further expansion as well as dealing with the usual trials and tribulations we experience over the course of a year.

The League and its officers will continue to have my 100% support after my departure. The TVCL is an excellent competition which is well run and has always had the best of intentions towards it's member clubs. I am sure this will continue for many more years to come.

Finally my thanks to you all for the support you have given me and the friendships that I have made during my tenure.

Regards

Raj Patel
