High Wycombe 3 promotion to Level 2 for 2019 season

Dear Member Club,

High Wycombe 3 won our Division 3a competition in 2018 and thus earned promotion to Level 2 on the field of play. Since the end of the season our Grading & Standards sub-committee has been in discussion with them re finding a venue which would meet our criteria for promotion to this level for 2019. Unfortunately, a suitable venue has not been found, so High Wycombe 3 will not be promoted to Level 2 for the 2019 season.

On that basis, and in accordance with Format of the League clause 2.6 (2018 handbook, p.77), Chesham 2 will now not be relegated from Division 2a.

The divisional structure and fixtures for the 2019 season will be published as soon as they are available.
